## CONCRETE EQUIPMENT

# Skid Base Self-Erecting Portable Concrete Batch Plant Stephens Clydesdale

Highly portable heavy duty batch plant that will improve the quality and efficiency of your mobile operations. Concrete foundation may not be required.\* No crane needed because the unit can be installed with a standard loader and gin pole in combination with the hydraulic self erect systems. Accumulative and decumulative configurations.

## 1 Standard Components

- Aggregate decumulative weighing or accumulative with 65 or 100 ton overhead bins\*\*
- 385 bbl cement silo with 4" fill lines
- Two standard 10" augers or optional high speed 12" augers
- 14 cubic yard cement batcher
- Standard 30" 20HP conveyor (623 tph) or 36" 30HP (1156 tph) conveyor with special discharge head
- Standard 3" Badger water meter
- 15HP 240 gallon 51cfm air compressor
- 200 amp enclosed power panel
- Tilt-away transportation system
- SOS 1020 cartridge silo dust collector
- SV20 filter bag batcher vent
- Gasoline engine driven hydraulic power pack
- Bolt-in 1/4" AR liners in discharge head
- Standard two air vibrators on aggregate batcher or adjustable electric vibrator
- Standard compressed air aeration or optional aeration blower
- Silo low level bin indicator
- 4 hydraulic levelling jacks
- Polyurethane blade belt wiper
- Made in Tompkinsville KY, USA
- (accumulative plant shown)

## 2 Optional Components

- 350 gallon water holding tank
- Water pump and water batcher
- 5" fill lines, or multiple fill lines
- 1/4" Brinell 400 AR liners in aggregate batcher and/or overhead bins
- Tilt-up silo collectors (350 bbl silo only)
- Pony Express 412 bbl Mobile Silo

## 3 Optional high speed discharge head.

4 Permanently lubed gates. No grease required.

5 Color coded air lines. Enclosed Solenoid valves. 5" cylinders.

6 15HP 240 gallon 51cfm air compressor. (Shown in travel position)

7 14 cubic yard cement batcher.

8 Optional 350 gal water holding tank.

9 Optional Tilt-up silo collectors.

10 Optional Pony Express 412 bbl Mobile Silo.

11 Gasoline engine powered hydraulic systems with 4 levelling jacks. Standard feature on Clydesdale, optional on Pony Express.

\* consult local engineer  
\*\* 100 ton bins ship separately
